Address of Client: Av. De Moçambique 1225, C.P. 1439, Maputo, Moçambique		
Start Date (mo/yr) January 2002	Completion Date (mo/yr): Ongoing	Total Contract Value (USD): \$500,000.00
Name of Associated Firm(s), if any: BKS Global and Cotop Lda.		Person-months of Professional Staff Provided by Associated Firm(s), if any: 66
Senior Staff Involved and Functions Performed:		
<ul style="list-style-type: none"> ▪ Joe Johnson – Project Principal ▪ Howard Luck – Team Leader 		
Detailed Narrative Description of Project:		
<p>The ANE wishes to undertake maintenance/rehabilitation of 134kms of the EN1 road, between Maxixe and ER520, which forms part of the primary North-South corridor in Mozambique.</p> <p>It is also ANE's intention to widen the road to include 1.5m shoulders. A complete HDM analysis is required in order to determine the viability of widening the road.</p> <p>In the first phase of the project, services cover condition assessment, rehabilitation planning, engineering design and tender documentation. The second phase includes tender evaluations, construction supervision and strict quality assurance.</p>		
Description of Services Provided by LEA:		
<p>Overall project management, evaluation of rehabilitation requirements and financial evaluation of rehabilitation interventions.</p>
