J. Kurz — Curriculum Development Specialist		
Detailed Narrative Description of Project:		
<p>Training and technical assistance for the Yunnan Chuda Expressway Corporation (YCEC) in order to bring more emphasis on the sustainability of YCEC with regards to its mandate, organisation and working procedures; human resource development in the road transport sector in Yunnan Province; and socio-environmental issues affecting the construction of the Chuxiong-Dali Expressway.</p>		
Description of Services Provided by LEA:		
<p>In response to the training needs assessment undertaken as an integral part of the ADB Contract (Project 7401), the CIDA contribution was utilised to support and augment an existing program of in-China and overseas training. LEA and TTA provided structured on-the-job training advice and specialists, technical training in-China; enhanced customisation of in-Canada training activities; carried out a “train-the-trainer” program for Yunnan Highway College (source of YCEC employees); and provided institutional development assistance to YCEC.</p>
